workshops](http://www.switchonnz.com/workshops)

**Week 4** - Wednesday 13th August

## Get up and Going with iPads

Whether you have 1 device or 1:1, things are going to change in your classroom/school. Let's start at the beginning, getting the best out of the device, personalising settings to the needs of your learners. This workshop will be adapted to the needs of the group attending. Q&A throughout.

- ◆ What pedagogy needs to change?
- ◆ How do you manage devices?
- ◆ What are the **MUST HAVE** apps?

**Week 6** - Wednesday 27th August  
**Professional Inquiry and Appraisal**

An Online Reflective Journal

*How effective and authentic is your current Appraisal system? Come along and create your own online free site which can then be shared with staff. Or I can provide you with a template I have created which you can then personalise to meet the needs of your school. This can include all Professional Learning and Reflection, evidence to align with the Registered Teachers Criteria, Professional Standards and any relevant frameworks eg ELPF and SAMR. Keep everything in one place, **work smarter not harder!***

**Or book a -  
Staff or Team Meeting**

A cost effective way of your staff hearing the same message. Grouped to abilities or teaching levels. Adapted to the needs of your school. Anything and everything E-Learning related!

- ◆ Support resources provided
- ◆ Ongoing email support

**Week 8** - Wednesday 10th September

## Google Tools 4 Schools

For those who are ready to harness the power of **GOOGLE** or have a leadership role in school and wish to enhance what you are already doing (eg Meeting Minutes, Newsletters, Timetables, Rosters, Calendars) by using a powerful collaborative toolbox. We'll explore 'Docs, Forms and Calendar' and I'll also show you where to find a raft of valuable 'add-on's' to support you both in and out of the classroom. Suitable for Mac, PC and Google Chromebook users.

- ◆ Unleash the potential

**Or book a -  
Day in your School**

It could be *goal setting*, implementing new technology, challenging current practices, *providing inspiration*, running personalised workshops, setting up classroom blogs, personalising apps (English to any other language). *The choice is yours!*

- ◆ Available for Teacher Only Days

Providing effective, affordable professional development in all things E-learning related, delivered by experienced Educational Technologist **Paula Jamieson (SWITCH ON NZ)** Based at Te Akau ki Papamoa School.
