- (COW) introduction giving greater access to IT.
- IT Angels can be developed further next year
- IT upgrade - gives us the chance to plan for next year earlier + with confidence
- ITPD trip to Stoke, for Robotics

1111

- Remote Italc software in computer rooms is superb
- John Driver + Clinton attending IT angel meetings is great.
- Network upgrade has been well worth the wait.
- Our IT guys really do a fantastic job answering questions + getting stuff set up for us when we need it
- Myra in the tech prefect role has done a great job regarding facebook + IT angels
- IT angels have been a good initiative and will grow.
- Managements push for all things IT has made me feel like we really are a pioneering, up to date school
- ITPD workshops have been well recieved + I have seen significant growth in a lot of staff i.e. it has is me to do changing the school culture for NZQA an PD this year regarding IT.
- Internet bookir
